Don't miss this great opportunity to learn what's new while you network with other local users in your field. If you take advantage of reduced conference fees by pre-registering, you'll also be eligible for a special door prize.

- Remember, this is your regional user conference, so user presentations play an important role. We are seeking presenters who would like to share their success stories. As always, presenters' conference fees are waived and tokens of appreciation given. If you're interested, please fill in and return an abstract submission form as soon as possible.
- The conference fee is \$50 per person (pre-registered), or \$75 at the door. We can only accept PayPal™, checks or cash. For registration and presenter forms, please click on either web site below.
